

Maui Road Runners

Membership Form

For purposes of the club's membership in the Road Runners Club of America (RRCA) and USA Track & Field (USATF), and also for insurance purposes, the Maui Road Runners is required to maintain a current membership roster. To join or renew your membership in the Maui Road Runners, please fill out the form below. Please list additional household or family members in the spaces provided at the end.

As a club member, the RRCA may send you a copy of *FootNotes*, their quarterly newsletter. Your e-mail address will also be entered in an online e-mail notification service that the club uses. This e-mail notification service is the main vehicle via which upcoming club activities are announced.

The club charges a small membership fee for administrative purposes. Funds to cover the club's major activities come from the proceeds of the Maui Road Runners signature event, the Maui Paradise Marathon, held each year in January. All members are expected to help in the planning, organization and staging of this event.

Special Dues Rate: The first period of membership until January 31, 2009 is free. If you participate in the Maui Paradise Marathon events on January 11, 2009 either as a runner/walker or volunteer, your next year is free. Membership year is from February 1 – January 31.

Thank you again for your interest in Maui Road Runners. If you're a new member, the Maui Road Runners looks forward to having you on board. If you are renewing your membership, the Maui Road Runners looks forward to another rewarding year of running with you.
